Mechanical Functions Make For Super Sitting

You've seen what the chair looks like. Now see what it can do. Our mechanisms let you build your seat to suit your work. See which one works best for you.

Full Function Task

Extreme adjustability, ultimate ergonomics – the name says it all.

Ergo Tilt

Exceptional comfort tailor-made for conference and training rooms.

Synchro Tilt Control

Seat and back move relative to one another in a synchronized motion for everlasting back support in every position – no matter how intensive your work environment.

Professional Task

Full flexibility combined with smooth, quiet operations – meet our most adjustable ergonomic mechanism with internal back height adjustment. Fit for long use, multiple users and task-heavy workspaces.
